RULES AND REGULATIONS - TERMS AND CONDITIONS

Organiser: CKD BUSINESS TECHNOLOGY reserves all rights in connection with "PRECITECH 3.0."

1. Definitions:

- Exhibitor: Includes the management team, employees, staff, and agents of any company, partnership firm, or individual to whom space has been allocated for participation.
- Exhibition: Refers to the event known as "PRECITECH 3.0," and the contract between the organiser and exhibitors, filled in the prescribed forms, and accepting the rules and regulations.

2. Booth Allotment:

- Exhibitors should apply for participation, together with payment, to secure a booth. Allotment will be on a "first-come, first-served" basis, subject to payment receipt.
- Payments must be made by electronic funds transfer or Account Payee Cheque payable to CKD BUSINESS TECHNOLOGY.
- Subletting of booths or displaying goods not listed in the original application is prohibited. Incomplete applications or those not accompanied by appropriate payments will not be considered.
- The organiser reserves the right to refuse participation without providing reasons, and the advance payment will be refunded if the application is rejected. However, cancellation by the exhibitor is subject to charges.

3. Booth Construction:

- Shell Scheme booths will be erected by the organiser's contractor.
- Alterations to booth size or removal of system material require written approval from the organiser.
- Exhibitors opting for bare space must submit their design and contractor details for approval. A penalty of ₹2000 per week per sq. meter will be charged for non-compliance with deadlines.
- Display features must not obstruct neighbouring booths or project into passageways.
- Exhibitors should occupy their booths at least 12 hours before the exhibition begins. If an exhibitor fails to occupy the booth within the specified time, the organiser may reassign or deal with the booth as they see fit.

4. Participation Charges:

- Full Payment is required by the specified date; failure to pay will result in cancellation.
- Booth Reallocation: The organiser reserves the right to change booth layouts or plans, which may affect stall orientation.

5. Services Provided:

- Electricity: Available on a chargeable basis, with 230V single-phase and 400V three-phase supply. Internal distribution is the responsibility of the exhibitor.
- Water: Available for demonstration purposes only, and must be requested in advance. Water connections for other purposes, including pantry use, are not provided.
- Air Connection: Available on paid request for pneumatic systems. Additional costs apply for usage above 10 cfm.

6. Security & Safety:

- General security is arranged by the organisers, but exhibitors are responsible for their exhibits.
- Exhibitors should arrange insurance for their own property and personnel during the exhibition.
- Damage caused to neighbouring exhibits or personal injury due to exhibitor negligence will be the exhibitor's responsibility.
- All exhibits must be at least 1 meter away from the boundary of the stand.

7. Sales & Transactions:

- Retail and Cash Sales are not allowed during the exhibition; however, negotiations for sales may be conducted.
- Removal of Exhibits during the exhibition is prohibited.

8. Handling and Customs:

- Customs and Import Services: Assistance with handling, clearing, and forwarding will be available for an extra charge. The exhibitor is responsible for contacting the appointed agents for customs formalities.
- Damages to the Exhibition Grounds: The exhibitor will bear the cost of any damage caused to the stand or the exhibition.

9. Insurance:

- The organiser will provide general insurance for safety, but exhibitors must insure their own exhibits against loss, damage, or theft.

10. Photography & Media Rights:

- The organiser has exclusive rights to record and use all media produced during the exhibition.
- Exhibitors cannot record or take photos of their own booths or exhibits without the organiser's permission.

11. Force Majeure:

- If the exhibition is cancelled, abandoned, or postponed due to unforeseen events (e.g., war, natural calamities, strikes, etc.), the organiser reserves the right to reschedule or cancel the event without liability.

12. Conservancy & Cleanliness:

- Exhibitors are responsible for keeping their stands clean, and can hire conservancy staff at their own cost. The organiser will manage general waste disposal in the aisles.

13. Entry Tax Clearance:

- Exhibitors must pay any applicable entry tax for goods entering Pune for the exhibition. The organiser will assist where possible in securing exemptions but exhibitors should be prepared for any tax-related requirements.

14. Power Supply:

- The power supply will be available from 10:00 AM to 6:00 PM daily. Exhibitors are responsible for internal fittings and cabling. The organiser is not liable for any fire hazards due to faulty wiring.

15. Local Regulations:

- Exhibitors must adhere to all local safety, fire, and administrative regulations. The organiser has the authority to enforce compliance.

16. Taxes & Duties:

- Applicable government taxes will be levied as per the current laws. TDS may be applicable on payments made by exhibitors.

17. Alteration of Terms:

- The organiser reserves the right to modify these terms and conditions as necessary. Exhibitors will be bound by any such modifications.

18. Cancellation of Contract:

- No cancellation or reduction in space is permitted once the space application form is signed. Any cancellation after December 2025 will require full payment of participation charges.

19. Jurisdiction:

- All disputes will be subject to the jurisdiction of the courts in Mumbai.

Subject: Rules & Regulations for Fabricators

Dear Exhibitors,

We thank you for your participation at **PRECITECH** India. Below are the Advisory - Guideline for Fabricators. Kindly share this circular with the appointed fabricator.

Guideline and Rules for Raw space participation.

1. Select a professional Stall Fabricator.
2. Kindly provide an authority letter to the fabricator, the same would be submitted by the fabricator to the organizers.
3. Stall possession will be given only to the official/authorised person from the exhibiting company.
4. Fabricator's key person and On-site supervisor's contact details should be submitted before they start on-site work.
5. Fabricators should follow all the rules and regulations of the Exhibition, which are mentioned in the Exhibitor Manual. Fabricators need to follow the timing strictly. Working will be allowed from 8 am to 8 pm. Overnight working will not allow. No request would be entertained.
6. Fabricators need to bring all design elements in prefabricated form. On-site Cutting and painting to be avoided for clean and healthy environment. (Safety first)
7. Fabricators should strictly operate within the allotted working area while fabricating the stall.
8. Fabricators will maintain the area clean and open, to assemble the pre designed Stall.
9. All fabricators with their labors/workers should co-operate with hall managers' instructions during the set-up days to have a smooth and speedy setup.
10. Support of permanent structure is not permitted, nailing, drilling on the floor, and welding is strictly not permitted.
11. In case the fabricators fail to maintain the standard rules and regulations of the exhibition during the setup hours, organizers reserve the right to stop the work and penalty would be applicable to the fabricator (Responsibility of the exhibiting company to recover the damage value from the fabricator)
12. Back Panel facing passage or neighbors stall should be covered with white flex.
13. Fabricators should carry their letterheads, which would be used as exit pass for moving their material out of the halls/venue
14. Labors/Workers should carry their photo identity card and photographs
